**Adriana Di Martino, MD**  
*Child Mind Institute*

**Thursday, March 14, 2024  
4-5 p.m. EST**

**“Brain and Behavior in Autism: Insights  
from the Human Brain Connectome”**

*Hosted by Neurodevelopment FAWG*

Dr. Adriana Di Martino explores autism neurobiology, focusing on early brain connectivity. Through ABIDE, she accelerates global collaboration, sharing functional brain imaging data to identify objective markers for improved intervention and treatment responses.
